LUXURY COLECTION 2026

VELLIS BATH

Trusted Performance.

Established in 2026, Vellis Bath is a premium bathware brand offering a refined range of fast-moving, high-quality products designed for today's market. With a strong focus on quality, competitive value, and consistent availability, we support our partners with dependable supply and professional after-sales service. Our carefully curated collection combines modern design, durability, and affordability — delivering true value at every level. With one of the largest bathware ranges, Vellis Bath stands for reliability, trust, and long-term business growth.

TOUCH OF **LUXURY**

VELLIS

driven by

EXCELLENCE

OUR VISION

Shaping the Future of Premium Bathware, To establish Vellis Bath as a trusted pan-India bathware brand recognized for quality consistency, refined design, and dependable availability. We envision becoming the preferred choice for partners seeking reliability, value, and long-term growth. Our vision is to blend luxury aesthetics with practical performance for everyday spaces. Through continuous improvement, we aim to set higher standards in the bathware industry.

OUR MISSION

Delivering Excellence Without Compromise, Our mission is to offer premium-quality bathware products that balance design, durability, and affordability. We are committed to maintaining consistent product availability to support seamless business operations. By focusing on fast-moving, market-driven products, we help our partners achieve sustained success. Professional service and dependable after-sales support remain central to everything we do.

OUR VALUES

The Principles That Define Us, Quality is the foundation of every product we present. Integrity, transparency, and reliability guide our business relationships. We believe in long-term partnerships built on trust and mutual growth. Consistency in standards, service, and supply reflects our commitment to excellence. At Vellis Bath, value is measured not only in products, but in relationships.
